Re: Job Protection at LGA

Dear Mike and Mike,

Beginning on January 14, 2017, the Company began to cross-utilize TWU and IAM represented Fleet Service Clerks to perform Fleet Service work at LGA airport.

As a result of this cross utilization, and in accordance with the August 5, 2016 Interim Wage Letter of Agreement, the Job Protection provision will go into effect for eligible TWU and IAM Fleet Service Clerks/Agents at LGA effective January 14, 2017.

Sincerely,

Robert L. Jones, Jr.
Managing Director
